

In the shadow of the Bell Tower

In the heart of Volterra, a few steps from the two main squares of the city – Piazza dei Priori and Piazza San Giovanni – lies our apartment consisting of a living/dining room, two bedrooms and bathroom.

On the second floor of a building in front of the old hospital (now an exhibition center), our Guests can enjoy a relaxing time in an essential and cozy style, overlooking one of the most evocative views of the city, “in the shadow of the bell tower” of the Cathedral, from which they can easily reach the main monuments and museums of the historic center.

A short distance away they will also be able to look out from the enchanting terrace of Piazzetta dei Fornelli, with the view stretching to the sea.
